

If it looks like you may qualify for a premium subsidy – We will need to work with Pennie

Pennie is PA's Online Portal that helps you receive the **APTC** (Advanced Premium Tax Credit) to reduce your monthly medical plans premium. They also determine eligibility and verification.

They will need to be made aware during the application process; you would like to work with us

It is fast & simple. There are no additional costs to assign us as your agent.

When you are setting up your account – you will be prompted to **"look for help"** during the process.

When you search for an Agent or Broker the attached graphics that may help navigate to find us.

Find Local Assistance at No Cost to You

Agents and brokers are licensed by Pennsylvania's Department of Insurance and have completed additional training to become certified with Pennie. Only an agent or broker can make specific recommendations about which plan you should buy. Note that some agents and brokers may only be able to sell plans from specific health insurance companies.
